Suspensions and Deletions for FY24

All recommendations are based on clearly stated guidelines and expectations for each category, as well as terms stated in each organization's annual grant contract package. Organizations that are suspended may apply to the Festivals & Projects Grant or Organization Support Grant for FY25.

Organization	Reason
Arts Are Essential	Deleted/Ceased operations in FY23
Robert Treat Paine Estate	Suspended/Eligibility/Below \$50,000 Formula Expenses
StageSource	Deleted/Ceased operations in FY23

Triple Shadow	Suspended/No programming for FY24
---------------	-----------------------------------

Organizations below minimum Cash Expenses of \$50,000

According to the guidelines, organizations are required to have a minimum 3-year average of Cash Expenses of \$50,000 to be eligible for Portfolio grants, and organizations that fall below the minimum are suspended and do not receive a grant. We recognized that the reduced ability of many organizations to conduct their regular programming during the pandemic would drop some organizations below the minimum. It was determined that if an organization dropped below the minimum due to their FY20 and/or FY21 financial reports, they would not be suspended. Ten organizations have fallen below the minimum but will still receive a Portfolio grant for FY24.

Holds

We are proposing "holds" on 16 contracts, meaning organizations will not receive disbursement of their grant until the reason is resolved and the FY24 grant contract is returned to Mass Cultural Council by the deadline to return grant contract packages. Some organizations could not complete their DataArts reporting on time due to delays in completing their audits. We offered all organizations an alternative way to accomplish their reporting, with the requirement that they must complete the DataArts reporting requirement by October 2, 2023, before their grant contract would be released. This list includes organizations that still need to submit their DataArts reporting.
