OPEN MEETING LAW STATEMENT

Please note that this meeting is an open meeting of a public body subject to the Massachusetts Open Meeting Law. A notice of this meeting together with the agenda was posted on Mass Cultural Council's website 48 or more hours ago (excluding weekends and holidays).

This meeting shall be open and accessible to all members of the public except at such times when this body has voted to go into closed executive session under the Open Meeting Law.

This meeting is a virtual meeting held under the Open Meeting Law as modified under current law to permit online meetings. This meeting is being broadcast to the public on a publicly available YouTube channel as described in the posted meeting notice.

Instructions on how to contact the Council with questions or problems accessing the broadcast are also included in such notice. Only Council members, staff and invited guests will be provided access to the Zoom platform hosting the meeting. As a safety measure, in order to prevent disruption of the meeting or non-public communications among the participants, the Chair, Vice Chair and Executive Committee of Mass Cultural Council has asked staff to implement the following protocols for participants in on-line meetings of Mass Cultural Council or its committees:

- Any "chat" or similar function on the Zoom platform hosting the meeting shall be disabled.
- Other than Council members or participants specifically recognized by the Chair of the meeting, all Zoom platform participants will be muted and have no ability to share media or documents or project or type images or text.
- All participants in the Zoom platform may be required to enter a waiting room and digitally sign-in before being admitted.

- Any attendee in the Zoom platform who nonetheless causes a disruption will be summarily removed from the meeting at the discretion of the Chair.

This meeting is not a public hearing and public testimony will not be taken. Individuals may not address the meeting without permission of the Chair.

Any member of the public may record this meeting provided that they do not interfere with the meeting.

Draft minutes of the open session of this meeting shall be kept and shall be posted on Mass Cultural Council's website no later than 30 days after the meeting provided that such minutes shall not be considered official until they have been approved by this body in open session. Individuals asserting a violation of the Open Meeting Law may file a complaint with this body within 30 days or with the Attorney General's office thereafter.

TIPS FOR PARTICIPATING IN A VIRTUAL OPEN MEETING USING ZOOM OR OTHER VIDEOCONFERENCING PLATFORMS WHEN THERE ARE SEVERAL PARTICIPANTS

(adapted from several sources)

- In order to minimize background noise, please mute microphone when not speaking.
- Please raise hand in order to be recognized by the chair.
- In order for all members to have an opportunity to speak and be heard, please wait to speak until specifically recognized by the chair.
- If there are questions, please direct them to the chair and the chair will then recognize the appropriate person to respond.
- Please limit statements to three minutes.
- The chair will reserve the right to limit discussion in order to allow sufficient time for every member to be heard who wishes to speak.
- Modify Video Settings to “Hide all non-video participants”- this will make it easier to follow who is speaking and participating
- In the event of a service interruption during a Zoom call due to hackers, so-called “zoom bombing” or other technical difficulties, staff will indicate the call is to be terminated. Please exit the call and staff will circulate instructions by email for a new Zoom call to continue the meeting.

Procedure for dealing with conflicts of interest on Mass Cultural Council grant votes.

Prior to any Council or Programs Committee meeting where individual grants will be voted on, staff will compile a list of conflicts of interest by identifying any potential recipient of council funds to be voted on at that meeting to which any Council member has an identified connection. Unless a Council member indicates otherwise, it is assumed that the Council member will abstain from all discussion and any vote regarding such grantee.

A document listing these possible conflicts of interest (the "conflicts list") will be distributed to the board at the beginning of the meeting.

After presentation of grant recommendations for a particular program, before a motion for vote, the chair should refer to the list and 1) ask the members present if the conflicts list is accurate and if the members identified will abstain from votes and discussion for the relevant organizations as identified on the conflicts list and 2) ask if any other conflicts exist which should be added to the conflicts list.

After dealing with any necessary corrections or additions, the chair will then ask for a motion approving the grant/allocation recommendations noting that the Council members noted on the conflict list will abstain from discussion and votes for certain organizations in accordance with the conflicts list. It will not be necessary for any member with a conflict to leave the room as long as such member does not participate in any decision regarding the affected organization and it is specifically noted in the minutes that such member abstained from all discussion and votes regarding the specified organization.

Sample script for a meeting vote:

CHAIR: We will now consider votes approving the grant recommendations. Please note the conflicts list that has been distributed. Staff members have compiled these lists to identify members that have a real or potential conflict of interest in connection with this vote. Please indicate 1) if there are any inaccuracies on the list or 2) if any additional conflicts need to be disclosed.

[If any corrections or additions are noted by board members, the conflicts list will be amended at this time]

Noting the abstentions disclosed on the *[corrected]* conflicts list, the chair now calls for a motion to approve the grants recommendations for this program.

Then, upon motion duly and made and seconded, with the abstentions noted above, it was VOTED: ...]"

In the minutes recording this vote, the following will be included

[Council Member X] disclosed that s/he would abstain from any discussion or vote regarding the provision of a grant or other assistance to {list affiliated organizations }
