TIPS FOR PARTICIPATING IN A VIRTUAL OPEN MEETING USING VIDEOCONFERENCING

WHEN THERE ARE SEVERAL PARTICIPANTS

(Adapted from several sources)

- In order to minimize background noise, please mute microphone when not speaking.
- Please raise hand in order to be recognized by the chair.
- In order for all members to have an opportunity to speak and be heard, please wait to speak until specifically recognized by the chair.
- If there are questions, please direct them to the chair and the chair will then recognize the appropriate person to respond.
- Please limit statements to three minutes.
- The chair will reserve the right to limit discussion in order to allow sufficient time for every member to be heard who wishes to speak.
- Modify Video Settings to “Hide all non-video participants” - this will make it easier to follow who is speaking and participating.
- In the event of a service interruption during a Zoom call due to hackers, so-called “zoom bombing” or other technical difficulties, staff will indicate the call is to be terminated. Please exit the call and staff will circulate instructions by email for a new Zoom call to continue the meeting.
