

Visual Artists: Connect with Creative New England

CreativeGround is the dynamic regional directory that celebrates the vital work of New England's creative people and places. It is a community-generated and free tool that supports a region-wide creative network. Because when creative communities are supported, all communities thrive.

Visual and craft artists are vital to the region's Creative Economy. They create works of art that are primarily intended to be appreciated through sight. Disciplines of this category include (but are not limited to)

Painting, Photography, Mixed Media, Sculpture, Fiber, Illustration / Drawing, Ceramics, Jewelry, Printmaking, Wood / Bark, Clay, Glass, and more. Visit CreativeGround.org for a full list of visual and craft artist disciplines.
