What can be funded?
Any Eligible applicant may apply for:

• Public programming in the arts, humanities, interpretive sciences

• A one-time activity, or an activity that is repeated for multiple years

• A distinct aspect of the organization’s activities. Examples:
  
  o A one-time event; a single production; an exhibition; an educational seminar; or a series of related events: a lecture series; art classes

Only “Fully-Cultural” orgs may apply for Capacity Building
What is Public Programming?

- Projects grants for public programming are intended to support activities that actively engage the public – as participants, as audience, as students, as creators.

- The engagement with the public is a purpose of the project.
What is Capacity Building?

• Projects that bring in new skills or tools* to improve organizational effectiveness in support of mission.

• Examples: investment in staff capacity to help an organization be effective in changed settings, such as staff training,

• Investing in IT infrastructure such as training for new hardware and software,

• Planning activities, including strategic planning, fund development, and communications/marketing

• Only Fully Cultural organizations may apply

• Note the budget restriction on capital purchases
What isn’t eligible?

• Programming outside of Massachusetts
• Fundraising activities, Capital Expenditures (see guidelines)
• Individual applicants, not an organization
• Projects exclusively for or by students as part of the activities of a college/school
• Projects by religious groups that are for the purpose of advancing religion
• Re-granting/prizes/scholarships

* Project Description:

Public Programming: Provide a complete description of the proposed project, including all the activities planned: Describe your project in detail. What are you doing? Who is doing it? Is it online, in-person, or both? Who is the target audience?

Capacity Building: Provide a complete description of the proposed project, including the activities planned, how you plan to chose a consultant or training program, timeline, and who is participating in the project. Is it online, in-person, or both?
* Project Goals:

**Public Programming:** What is the goal of the proposed project? Describe why you are doing this project, what you hope to achieve, and how you define success?

**Capacity Building:** What is the goal/goals of the proposed capacity building project? How will the project improve or transform your organization's ability to carry out your mission?
* Organization Capacity:

**Public Programming:** Describe how your organization is prepared and able to carry out this project. This could be a description of the organization's previous activities, or it could be about the specific individuals who will be managing this project.

**Capacity Building:** Why is this a good time for your organization to take on this capacity building project? What steps have you already taken to identify the need or prepare for this project?

**Diversity, Equity, Inclusion, and Access**

**Public Programming:** Identify a specific strategy for promoting diversity, equity, inclusion, and access with a specific goal that is measurable, achievable, and appropriate for the project. (For example, if you are working to make your project accessible to people with disabilities, what accommodations have you made, how have you identified the best practices, how are you reaching your target audience, and what will success look like?)

**Capacity Building:** Explain how this capacity building project promotes diversity, equity, inclusion, and/or access, either in the project activities (methods), outcomes (change), or both. For example, if you are planning leadership training for all staff, how does that build new skills that create a more inclusive culture in the organization? If you are planning an equity assessment, how does that create improved HR practices? Programming?
Project Budget

Please provide cash expenses for the project (6/1/2021 - 6/30/2022) Project cash expenses must be incurred during this 13-month period. DO NOT INCLUDE IN-KIND.

Applicants must have project cash expenses of at least $2,500.

You may include the actual cost of staff time or administrative expenses that are dedicated to this project. Please include an explanation in your description of the project. For example, "Our budget includes 50% of our Education Director's time for 6 weeks."

You will include cash expenses in the budget form by clicking on the "Project Budget" button. Do not include anticipated revenue in the budget form, you will describe your anticipated income using the narrative questions below.

The reviewers use the information gathered in this section to evaluate the organization's capacity to plan and manage this project.

Click on the 'Project Budget' button to enter your expenses.

* Projected Income: Please briefly describe the other sources of projected income needed to complete this project.
