## Project Overview

---

**Summarize the proposed project or program.**

**Who is the target audience for this project?**

Target Audience: The specific individuals you are hoping to attract to attend or participate in a project. These individuals may be defined by age, economic status, geographic location, interests, etc.

**What is the cost of participation for attendees (if any)?**

**How does the proposed project provide public benefit and contribute to the cultural vitality of the community as a whole?**

Public Benefit: Local council funds may only be used to support activities that contribute to the cultural vitality of the community as a whole, rather than benefitting any private individual or group. However, this does not mean that a large crowd of people needs to participate in order to satisfy the public benefit requirement. An important component of public benefit is advancing diversity, equity, inclusion, and access.

**Please describe the qualification of key artists, humanists, interpretive scientists or organizations involved with leading the cultural component of this project.**

**If there are any other individuals or organizations that will be involved in the project as planners, partners, or collaborators, please list them below. If applicable, please distinguish between those who have made a firm commitment to the project and those with tentative or potential involvement.**
